

The advertisement features a large, detailed image of a Maxam MS302 E3/L3 tire on the left, showing its heavy-duty tread pattern. In the background, a yellow Maxam bulldozer is working in a quarry or construction site. The Maxam logo and model name 'MS302 E3/L3' are prominently displayed in the center-right. Below the model name, a paragraph describes the tire's features, followed by a bulleted list of benefits and a section for applications with icons of a truck and a bulldozer.

MAXAM
NORTH AMERICA

MS302

E3/L3

Heavy duty E3/L3+ lug pattern combines excellent traction and high resistance to wear and cutting. Specifically designed to minimize vibration at haul speeds, and provides the lowest cost-per-hour.

- Excellent traction in all off-road conditions
- Thick undertread for improved puncture resistance
- High quality casing allows for excellent retreadability
- Wear and cut resistant tread compound
- Wide, flat footprint profile for maximum stability and wear
- Increased net-to-gross and tread depth for highest tread life
- Offset, reinforced lugs minimize vibration at haul speeds
